Habilitation
Program*

The love & warmth of home

2nd Home Day Hab Center offers a comprehensive day habilitation program for individuals with intellectual or developmental disabilities, including a broad range of ability levels, in a safe, nurturing, and supportive environment.

Services are individualized to address each participant's specific needs, abilities, and goals.

The carefully structured program encompasses a broad variety of activities, recreational opportunities, education, and life skill instruction, all designed to help foster practical goals. Our Direct Support Professionals are compassionate, creative and take pride in motivating and connecting with individuals in our care.

Sampling of Program Components:

Art • Music • Games

Community outings

Nutrition education

Light exercise

Hands-on cooking

Hygiene skills

Budgeting/financial literacy

Cleanliness skills

Health and wellness

Behavioral health strategies

Pre-vocational skills

Basic technology skills

Improving Lives

As part of our commitment to enhancing lives, we collaborate closely with families, support coordinators, and other care professionals to achieve positive outcomes and create a fulfilling and enriching experience for each participant.
